EDITOR'S LETTER

Alright, so it didn't come home after all, did it! Well, like so many things in life it was fun while it lasted, but now it's time to forget about all those fantasies and concentrate on the more humdrum things in life. Hang on, what on earth am I on about? You need to have something to fantasize about, and we've got some corkers this issue, with the likes of Natalia Forrest, Sammi Tye, Saskia Jade, Vanessa Scott and Lucy all doing a splendid job. GARY'S SOBER

Dear *Mayfair*,

Having had a motorbike injury about five years ago, I take regular painkillers. Because of this, it's very rare that I have a drink - which my mates regularly take full advantage of! These days if the guys know I'm out for the evening, they'll automatically assume that I'll be their designated driver for the night. I generally don't mind, but occasionally they do take the piss. Still, a few weeks ago, it proved to be extremely lucky for me!

My mate Robbie and I were in town, when we got chatting to two girls. They were alright - quite fit in a small-town kind of way. We hung around with them for a few hours and got on OK, but when we said we were leaving, they cheekily asked for a lift. Without a moment's hesitation Robbie went: "Oh, Gary will give you a lift!"

I was about to chime in with a sarky comment, but I realized both the girls were grinning at me and suddenly chorused, "Oh thanks Gary!" I didn't have the heart to let them down.

By the time we got to my car and the girls had jumped in the back, I had established that they wanted to go in virtually the same direction as Robbie, and I was relieved that I wasn't having to drive well out of my way. As we pulled away, Cathy started playing with the back of Robbie's hair and flirting with him. She and Sam were giggling, so I figured they

were winding him up - especially when they began egging each other on and blowing gently in his ear. I could tell that Robbie was trying to keep his cool, but I also knew that he probably had a raging hard-on that he was trying to conceal!

Before long, we reached Robbie's place and as he got out of the car, he casually said to the girls, "Fancy coming in for drinks?" But was given short shrift and he nodded his goodbye at me before

Dear *Mayfair*,

I wish to express my hearty approval at the many coloured beauties that have graced your pages in recent issues, most recently the beautiful Jasmine (I think people say BAME rather than 'coloured' these days, but we take the point! - Ed.) As one who has a big collection of *Mayfairs* in my locker stretching back over 30 years, I still have a copy of 23/09 which has *The Daily Mirror's* page three stunner Amanda Forbes on the cover. Several black, Asian and mixed-race girls have made *Mayfair* appearances over the years, so the idea struck me that maybe a special issue exclusively featuring the aforementioned might be a hit with the readership, in the same way that you have periodic Lingerie and Best Of issues. In the black category we could have: Amanda Forbes (23.09), Camella (Girls of Summer 3), Charmaine Sinclair (Girls of Summer 4), Giana (42.12), Sonia (43.03), Ami (44.03), Idelsy (49.09), Anna (49.11), Cecelia (51.07) Noel (53.02), Luna (53.06) and Jasmine (53.07), while in the mixed race category we could have: Sochee (49.09), Keisha (49.13), Pria and Preeti Young (52.9 and 52.13), Olivia (52.12) and Nicole (53.01). Only two Asian babes spring to mind - Bunny (48.11) and Aria (49.07). So maybe in the autumn, when the evenings close in and the leaves fall from the trees, we might look forward to a wee bit of colour in the form of these beautiful girls?

Mick, Co. Meath.

PS: On another topic, congratulations to the beautiful Dani Maye and her 10 years at the pinnacle of the top shelf world, from the early days as a stick thin, tiny-titted beauty (e.g. 47.01) all the way to recent appearance in 53.06, albeit as a more beautifully curved figure of womanhood. Here's to the next 10 years!

Well Mick, that certainly is a pretty comprehensive collection of back issues you've got there! Hmm, a BAME special. That's certainly something to consider, but meanwhile, let's feature Amanda Forbes as the *Mayfair* Classic this issue, shall we? Oh, and while we're on the subject, kudos to regular contributor Gabriel for his artistic portrayal of Jasmine Webb - you've got her to a 'T'! - The Ed.

JAS MY CUPPA TEA!

Dear *Mayfair*,

It's always a treat when a Babestation lovely makes her way into *Mayfair*, but when they're as hot as Jasmin M in your latest issue then that really is a red letter day! Perhaps some readers will consider the set a bit on the 'soft' side, but for a debut from a girl as hot as this, it certainly does the trick for me! Didn't her perfectly shaven snizz look tempting, nestling there atop the arm of that sofa? Still, I can't imagine it was particularly comfortable for her. I can certainly think of one thing I'm sure she'd be far more comfortable perched on! My old chap, I mean!

Stewie, Kingston.

Yes Stewie, we got it without the punchline! - The Ed.

making his way into his house. We'd only been driving another five minutes, when Cathy announced that she needed the toilet. We were in the middle of nowhere so I said she'd have to hold on. They both started hassling me, saying it was unfair and that I needed to stop if I didn't want her wetting my car seat. I pulled into the next layby.

"Stop looking at her, you dirty sod!" said Sam, as Cathy squatted in the bushes. I hadn't been, but she put her hands over my eyes anyway, just to make sure. They'd both been in the back, but Cathy came back and sat in the passenger seat, which seemed completely normal, until she started groping my knees. They were just messing about, but then Cathy swung over to sit on my lap and started snogging me. I'd been single for a while and, thinking it was about time I had some fun, I kissed her right back. Then Sam said, "Hey, what about me!" I've sure as hell never had two women fight over me before, even messing around, but it was fun! I started to fondle Cathy's tits, and craned up to give Sam a snog over the back of the seat, too.

Sam suggested that Cathy and I join her on the back seat, but my car isn't that big so instead I got out, trailing Cathy who was now pretty much topless. "Lie down on the seat," I said to Sam, and she did quickly.

She was wearing quite a short skirt and if she'd had knickers on before, she didn't now. I started to give her a fingering, while Cathy got to work unzipping me, wanking my cock against her tongue.

"Why don't you lick her?" I said, starting to push my luck as I gained confidence. Sam wiggled her arse against the seat, and Cathy bent over and started to lap at her snatch, a bit nervously at first, then really getting into it. I got a whiff of Sam's pussy – all juicy and delicious – and I got a sudden urge to taste some fanny, too. I flipped up Cathy's skirt and pulled her knickers down around her ankles, then dropped to my knees and flicked my tongue along her slit, wriggling it in her hole. A couple of fingers slipped into her soaking clunge and my cock was aching to follow...

I teased her with my cock, just so she knew what I intended, and when she backed up against me I pushed my big prick smoothly inside her. Her moans were muffled as she nuzzled her mate's pussy. The sight of them made me want to fuck her hard as she could take it. So the most difficult part was holding back and letting her eat Sam out at her own pace.

Soon, though, I had to admit defeat. I grabbed Cathy by the tits, pulling her upward, and as she held tight to the roof of the car, I just fucked her all guns blazing. Sam simply lay there, watching, hand trailing down between her own thighs. Then she started playing with herself, writhing around on my back seat as she got close to coming, too.

My climax hit me hard and fast, my spunk barrelling out to fill Cathy's snatch. Sam sat up and put a hand under her to catch it as I pulled my spent dick out. In all honesty, I'd had Cathy pegged as the nastier fuck of the two, but Sam was a right little perv! She got a handful of spunky tricklings out of her mate's pussy, and started smearing it all over herself – her face, hair and tits. Cathy lay down where Sam had been and Sam helped herself to more, slathering it on. I'd never seen anything like it!

I knew this would get me hard again pretty soon, so I just had fun watching them till I felt my cock stir. Then Sam decided to give me a helping hand – well, both hers, actually – giving my cock and balls a going-over till I was stiff as a board. She said she'd always wanted to be fucked on the bonnet of a sports car, but my old banger would have to do for now. She lay back on it, looking like the filthy little tart she was and lifted her legs up on my shoulders.

I fucked her deep and hard, fast as I liked, knowing I could hold back this second time. Then, when I knew she'd come and I'd had enough, I blasted my creamy jizz inside her. I had to steady myself on the car I was so knackered, but she just had her fun, frigging herself as she pulled the sticky white threads out of her hole. It was the sexiest thing I've ever witnessed.

I haven't seen them again, but I'm sure I will as our area is so small. I wish I could, just to prove to my mates that I'm not bullshitting about the encounter. That night, I discovered the best perks about being the sober, designated driver – well, that and I can remember all the little details!

HAPPY SNAPPER

Dear *Mayfair*,

As a general rule I'd run a mile if someone tried to show me their holiday snaps. There's nothing worse than sitting through dozens of pictures of random people and places. Kelly's pictures weren't like that, though. Looking at pictures of my gorgeous work colleague in various states of undress was something that I'd have happily paid money to do. She'd had her photos printed as a job lot, then involved me in picking-out the indecent ones because she thought that I was highly qualified – since I'd admitted to reading *Mayfair*, she knew that I spent some of my free time looking at mucky pictures of girls.

"Oh dear, you can see my pussy in that one," she snorted, her hair falling forward. I snatched the offending picture in which the crotch of Kelly's bikini bottoms had become bunched-up and firmly wedged to one side. I made no attempt to hide the fact that I was taking the chance to study my colleague's genitalia.

"Come on," she said, "Try and concentrate. There's a lot

Blimey, here we are at issue 9 and this is the first time we've hooked up with statuesque stunner Sammi this year. Still, they say good things are worth waiting for, and if that's true for a pint of Guinness, how much truer is it for a set of pix of this babe stripping off to give us all an eyeful of her stupendous bod!

"I'd certainly like to think I'm more of a treat than a pint of Guinness!" she snorts. "For starters, I can't stand the stuff!"

Well each to their own, Sammi – and perhaps avoiding stout will mean you'll never have to worry about becoming, erm, stout yourself. Not that that looks like it'll ever be a problem!

"If I need any advice on how not to end up too stout, I know where to come!"

M

more to get through." By the time we'd filtered-out the unsuitable photos, I had an extensive image collection of Kelly's bits. She was a real exhibitionist, forever pulling at her clothes to reveal her boobs and legs, with a few candid shots featuring her pretty little pussy and tight arse.

"What do you want me to do with these?" I'd already managed to slip a couple into a pocket for a private viewing later on.

"Oh, you can keep them," Kelly said, with a cheeky smirk. She dropped her eyes to my lap – which I took as a suggestion that I should wank over them. I couldn't believe what was happening.

"So, did you look at my pictures?" Kelly asked the next morning, as we shared the lift together. She had been waiting for me in the lobby.

"Of course I did."

"Did you...?" Kelly made a universally-recognised motion with her hand.

"Of course," I said, and Kelly smiled with obvious delight. "Three times actually."

She seemed to sparkle. "Really? Three times! I'm flattered." Kelly stood on tip-toe and kissed me on the cheek, and I sensed that she wanted to do more. There was a definite bounce to her step as she walked down the corridor with me.

"Anything in particular you liked?" she emailed.

"Face, tits, pussy, bum, legs," I replied immediately. I saw her read my reply and her face illuminated with the glow of a naughty little smile. I sent a follow-up before she had chance to reply. "I did your tits, pussy and arse last night."

Kelly didn't reply to my emails but she was waiting for me again at the end of the day. She was talking to her friends as we shared the lift down but her words in their conversation seemed to be for me.

"No, I think I'm just going to stay in and pamper myself. Maybe have a nice facial." It was barely believable that this stunning girl was coming-on to me. And as if the conversation wasn't enough, Kelly used her body to mask the fact that she was fondling the growing lump in the crotch of my trousers. Gorgeous, adorable and naughty – I couldn't believe my luck!

"God, I've been so horny today," she gushed, after she'd doubled back into the car-park and slipped into my car. "I can't believe that you actually wanked over my pictures. I knew that you'd... like them but I didn't think you'd admit doing it." There was a pause as she laughed before continuing. "I had to do myself in the toilets – twice: once this morning and again after your emails. You've made me feel so sexy."

I couldn't believe that such a stunning girl could ever feel anything other than sexy, but it seems that having a boyfriend who would rather polish his car than satisfy his girl had left her having doubts. Then she'd found out he'd been cheating on her. He'd begged for forgiveness but Kelly's friends had persuaded her to dump him and told her to find a man who really fancied her and wanted her. Fortunately, she already knew of one.

"You always notice when I do my hair differently or get new clothes. I already knew it was over with him when I found myself putting-in more effort getting ready for work – for you. I started wearing my hair up because you said it made me look more elegant... and I wear that short skirt more often now because you always wolf-whistle me."

"Your legs and bum look amazing in that skirt. Plus, I like trying to look up it..."

"I've noticed," she giggled, her legs squirming in the seat.

"So, do you want to go for a meal or something..."

"No, we can just grab a pizza afterwards," she said. I felt a surge of sexual excitement as her hand found my knee. She meant after we'd had sex. The front door had barely closed when Kelly pounced on me. Her eager body pressed against mine as she kissed me. I kissed back, running my fingers through her soft, honey-blond hair. The erection which had sprung-up at her first touch was caught uncomfortably in my boxers and I tried to shift it.

"Let me do that," she said, and she worked on my belt and zipper, allowing

HER OBVIOUS HUNGER FOR MY COCK MADE IT STICK UP HIGHER AND THROB EVEN HARDER THAN EVER.

my trousers to drop around my ankles. She gripped my cock through my boxers. "It's nice to have a man so... pleased to see me." Falling to her knees, she tugged my underwear down. Her obvious hunger for my cock made it stick up higher and throb even harder than ever. Soft hands wrapped around the root and performed a few twisting tugs. The motion forced-out a drop of pre-come. Kelly focused on that single bead of fluid. Moving slowly forward, she touched her lips against the tip of my cock and sucked. I let out a groan and was rewarded by Kelly taking my cock fully into her mouth.

She sighed with pleasure as her spare hand brushed up my thigh and held onto my hip. Kelly seemed to have a real taste for cock; she handled it with great confidence, alternating mouth with hand, totally focused on my pleasure, yet obviously enjoying every second herself. The first pulsing throb of bliss came as Kelly sank down deeper and I felt her throat tighten around the fat head of my cock. Yet the pressure of both hands on my bum brought us inexorably closer, working my cock in even further. My balls started their contractions. I was about to utter a warning when Kelly extracted my cock from the deep recesses of her throat and wanked it.

"I think it's time for my facial." The way she said it made it sound like a challenge, like she wanted to see what I'd got for

her. Blue eyes flicked up and she smiled. I swore as my cock instantly responded, erupting into an orgasmic explosion. She shrieked as I discharged several jets of thick love juice over her up-turned face. "I thought you came three times yesterday!" she spluttered, laughing as she wiped at the copious juicy frosting I'd given her. It was a fantasy come true to see her dripping with my spunk and as soon as she'd wiped herself clean, I scooped her up and took her to the bedroom. With a swish of material, I had her naked and all those fabulous parts came on view together. She was stunning, and she sighed when I told her so, and allowed me to explore her body. I didn't get far – as I pushed her back onto the bed, the musky aroma of her pussy brought my cock back to life. She looked down as I moved over her. "Already?" she gasped.

"That hasn't happened to me in a long time." A moment later and I made her groan as I sank my cock into her hole.

Holding onto her knees, I pushed into the soft delights of her pussy. It felt even better than it looked. "Oh God, I love getting fucked," she groaned. My cock was already aching as I pounded into her, making her tits jump back and forth to the rhythm. Despite my earlier release, I was in serious danger of losing control. Fortunately, I wasn't the only one. She wasn't timid when it came to her own pleasure.

My vantage point was perfect as her hand snaked down between her legs and she rubbed her clitoris. Her eyes were closed: her focus entirely on herself and the sensations in her pussy. Her lips opened in anticipation of orgasmic pleasure. She murmured something and her body moved under me as I felt her pussy twitch around my cock. She yelped and then the spasm returned with tremendous power and was repeated mercilessly. Her velvety embrace crushed down on my cock, sucking greedily at the juices within and I was happy to let myself go. I'd only been going at her for a couple of minutes but a sex-sweat broke out on my skin as I fired my load into her convulsing pussy.

As my cock slipped-out, Kelly was wearing the sweetest of smiles, her cheeks rosy with sexual satisfaction.

"I'm hungry." Her hand reached-out and extracted a final trickle from my cock which she transferred to her mouth via her fingers. I was slightly worried that she wanted to go again, since she was stroking my balls as she sucked her fingers clean and I was completely spent. Fortunately, her appetite had been quenched for the time being. "Could you order a pizza whilst I have a shower?"

"So, how did I compare?" Kelly asked when she appeared downstairs. She was wearing one of my old T-Shirts and holding the dirty photos she'd given me.

"These are great pictures." I wrapped my arms round her as she joined me on the sofa. I dropped my hand between her legs and slid a finger inside her pussy. "But you can never beat the real thing!"

Mmm, south-coast saucepot Vanessa Scott looks quite a tasty treat in her slightly sporty take on the classic lingerie look, doesn't she? We bet she drives the guys wild when she's out and about before some lucky lad or other is allowed back to her boudoire...

"I'm not sure I'd call it a boudoire – bedroom's just fine! I don't know if I do drive the guys wild, though. I'm usually out with a load of mates, and some of them are a lot more flirty than me, so it's not unusual for them to get all the attention when we're out on the town. Still, I do have a trick or two up my sleeve if I want to get some attention – like letting it slip that I've been in *Mafair!*"

We're glad to be able to help!

POWER

...TO THE PEOPLE!

The big Ferrari GT is back, but is it better than ever?

Buckle up and let's take a look...

Perhaps we ought to get the important stuff out of the way with the facts and figures, because they're, well, mind-blowing! In the front we have a 6.5L V12 (that's right!) feeding 789bhp – yes you did read that right, 789bhp – to the rear wheels at a howling 8900rpm!

At a dry weight of only 1630kg, that's around 484bhp per tonne. That should be enough to propel the 812 from 0-60mph in only 3.1 second and max out at a claimed

understand and with more power that may ever be needed for a road car, with the 812 being the most powerful production car Ferrari has every made (not including the Limited number Hypercars like the Enzo or the LaFerrari). But, with all the omission law becoming ever tighter, is this the last of its kind from the prancing horse stable?

The rumours are that there is a new range of GTs coming in 2020, so will they be a mix of smaller engine turbocharged or Hybrid mix power units? I hope not. Aston

The body structure is largely unchanged from the F12, too, although it differs at the front to accommodate electric power assisted steering rather than hydraulic, and at the back to fit the rear-steer.

In essence the 812 is 60kg lighter than

THERE ARE PLENTY OF AERODYNAMIC DETAILS TO GET EXCITED ABOUT, INCLUDING A VAST OPEN GRILLE.

the F12 through lighter electrics and plumbing, sound proofing and other components. But the stronger engine and rear-steer has put the lot back in again. So claimed weight stays at 1630kg.

It's certainly aggressive to look at. There are plenty of aerodynamic details to get excited about including a vast open frontal grille, or 'smile', as Ferrari calls it. Inside there are two seats, a driver-centric instrument stack, a supplementary instrument binnacle for the passenger and just a little bit of storage.

Behind all that is a hatch with a decent-sized (but high-temperature) boot – because

the gearbox is positioned right underneath it.

Sitting inside, the first thing you'll notice is that it feels wide, and because it's almost 4.7m in length, the nose feels long – well, it has got a V12 sat behind the front wheels. And while the rear three-quarter visibility is pretty poor, well d'uh – it's a GT, and its meant to be.

The steering is on the light side, as per the F12. It's around two turns lock-to-lock so there isn't a vast level of feel, but with Ferrari's hydraulic system there's never likely to be.

Let's not forget, the 812 is a relatively heavy car although you wouldn't know that from its capability, or from its agility, or from its carbon-ceramic brakes' stopping power; nevertheless, the weight there is. The gearshift is probably the finest dual-clutch out there.

211mph.

Good now that bit is over, let's ask the question 'Why?'.

I've always had a fondness for the big

THE 812 IS A RELATIVELY HEAVY CAR, ALTHOUGH YOU WOULDN'T KNOW THAT FROM ITS CAPABILITY OR AGILITY

GT's and 2+2 Ferrari's since the first time I drove a 550 and 612, but this is a new generation filled with more tech than I can

Martin's DBS Superleggera is 70bhp down on the 812 and that's with the help of a turbocharging.

Obviously economy and emissions have to improve. The 812 has addressed this with a new cleaner injection system and the stop-start system cutting the engine when you're decelerating past 5mph, which may feel a bit strange at first.

Peak power is at 8500rpm while peak torque of 530lb/ft is at 7000rpm, so you've got to think this V12 will thrive on revs, although 80 percent of torque can be had from 3500rpm.

The V12 is mated to a seven-speed dual-clutch automatic gearbox, and because the 'box is at the back, it gives the 812 the same slight rearward weight bias – about 53 percent – as the F12 had before it.

“THE 812 IS AN ACCESSIBLE CAR TO DRIVE QUICKLY UP TO - AND AFTER A FEW DEEP BREATHS - BEYOND ITS LIMITS.”

Its easily flicked, fixed paddles unleash the fastest upshifts and most quickly wrapped downshifts in the business. They're so fast that at the end of a straight – on road or track – you find yourself waiting longer to activate them, taking advantage of the smoothness of braking in a single gear, then grabbing them one after another quickly as you turn.

Turn ambitiously at low speeds and the 812 is prone to understeer a tad, but at faster speeds the rear-bias makes it neutral at least, lively at most. Then, on the way out of any corner, at any speed, 789bhp makes the rear move as much as you like – and when the Superfast slides, it does so quickly but controllably. For its size and weight, this is a real accolade to Ferrari technical design. The engine's sharpness means it's better to stay strong on the accelerator and wait for the vehicle speed to gently match the wheel speed, lest it slip clumsily back into line. When it does slide, the steering wants less torque to countersteer than it does to add more lock. If you do it naturally you'll hardly notice; if you don't, the tech stuff will help you out.

As for the interior, well it is minimalistic but lovingly put together, with all the mod-con screens contained within the driver's instrument cluster. It has the typical Ferrari look and feel, which is not to everyone's taste, and for me lacks the design of the McLaren 570GT.

The seats are leather and carpets are part of the package, after which you enter the mind-boggling array of optional extras including numerous leather colours, stitching and carpet choices, through to deciding whether you want a racing or Daytona style seat and the finishes you want to apply.

The combinations are multiple and Ferrari also provides the opportunity to make the 812 that bit more special to you including the optional additions of a passenger display, a suit carrier, a fire extinguisher, a leather luggage set, or even a golf club carrier. All the furnishings that define this as a true GT car.

But when ordering extras, just be mindful of the cost, as the bespoke golf club bag will set you back £6,240 and it's a little too easy to add £70-£90K on optional extras to the £263,030 price tag.

There's apparently less soundproofing in the 812 than there was in the F12, with that V12 at the front, that's a good thing. From inside, the V12 barks and

fizzes, but the overriding impression is one of a perfectly smooth, while from outside it sounds like the dying sun has been hit by Thor's hammer!

Engine response is amazing, meaning that the 812 is bafflingly, shockingly urgent; aggressive and hard but also cultured and rounded. It's the most powerful series production Ferrari ever built, with a 7.9sec 0-124mph time, and yet also the smoothest engine you can imagine.

The 812 is an accessible car to drive quickly, up to and – after you've taken a few deep breaths, had a cup of tea and learnt to relax into its style – beyond its limits.

There are so many systems hooked up to an 812's dynamics that it would be easy to get it wrong, to have a car that feels nothing like as natural and dependable as, say, a benchmark V12 front-engined handler like an Aston Martin V12 Vantage S or Vanquish S. But they've actually gone and done it.

But – there is always a but – is it a class leading GT, or a class leading supercar? In the GT field you have the Aston Martin DB11, cheaper, usable, soulful and rewarding to drive on most road conditions. The Bentley Continental GT offers majestic luxury cabin and now with driver appeal, while the McLaren 570GT boasts stunning handling and build quality. Yes, the Ferrari 812 Superfast is a remarkable car, but against the above, and at almost £100k more I don't think it's remarkable enough...

SASKIA

Age: 21 Vital Stats: 32C-24-34 5'0"

Photographer: BBM

Yep, it's that time of the month again. No, not THAT time of the month – we mean the time of the month when we get to introduce you to another scrummy *Mayfair* newcomer! Saskia Jade's a bit new to all this sort of thing, but she's already finding that there are few things nicer in life than being all saucy in front of a camera...

"Yeah, I love it! I've always liked showing off since I was a little girl – well, I'm only 5 foot nothing, so perhaps I should say since I was a littler girl! – and now I'm doing it for you guys! I hope your readers enjoy it as much as I'm doing!"

Oh, there's a good chance of that!

Fresh-faced Nancy's just the thing to raise any flagging spirits and no mistake. If you're going to spend the day on location while shooting a set of a lovely young thing, we really couldn't recommend anyone more highly!

"Well it suits me – I love feeling the sun on my body, so what could be better than to spend a day like this shooting for *Mayfair*?" beams Nancy. A sunny day, a sunny disposition and a stunning babe – sometimes it's the simple things in life that make it all worthwhile!

Two women are playing golf. One tees off and as the ball sails towards a group of men halfway up the range, she shouts "FORE!"

They look round just as the ball smacks one of the men. He falls to the ground with his hands between his legs, writhing

trousers, sticks her hand down his boxers and gently massages his balls.

After a good five minutes of warm caressing she asks, "Are you OK? Does it feel better?"

"It feels fucking lovely," says the man, "but my thumbnail is going black as fuck!"

"Apparently there's been a mix-up. You've been getting 'butox' injections!"

in agony. The woman runs up to the man concerned for his welfare.

"Are you OK?" She asks. But the bloke is speechless while his mates clearly feel his pain.

"Please," she says, "I'm a physical therapist, let me help you."

"I'll be OK," says the man, "just give me a sec."

"Oh, I insist," she says and loosens his

moment's thought, off goes the nervous skier, down the slope. He makes it fine and gets the tow back up to the top.

"How did I do?" he asks

"Fine mate, you zig zagged and zig zagged and zig zagged down the hill near perfectly."

"Are you sure I didn't zag zig and zag zig and zag zig?" asks the novice

"To be honest I really don't know mate, I'm not actually a ski instructor at all – I'm a

A dyslexic chap goes on a skiing holiday for the first time. He gets to the top of the slope and has a word with a bloke there, who looks like he knows what he's doing.

"How do I get down the slope?" he asks him.

"It's easy mate, you just zig zag and zig zag and zig zag all the way down to the bottom."

"OK, but what if I zag zig and zag zig and zag zig down, will that be OK?"

"I think the zig zag and zig zag and zig zag way is probably better," says the man.

The novice then looks at him and says, "In that case, give me 20 B&H."

M
"Can I have some Irish Sausages, please?" Paddy asked.

The assistant looked at him and asked, "Are you Irish, by any chance?"

"If I asked you for Italian Sausage, would you ask me if I was Italian? Or, if I asked for German Bratwurst, would you ask me if I was German? Or if I asked you for a Kosher Hot Dog, would you ask me if I was Jewish? Or, if I asked you for a Taco, would

you ask me if I was Mexican? Would ya, ay? Would ya?"

The assistant says, "Well no."

With self-indignation, the man says, "Well, all right then, why did you ask me if I'm Irish just because I asked for Irish Sausages?"

The Assistant replies, "Because you're in B&Q, mate." (Gah! Can you get away with that sort of thing these days? – The Ed.)

Three girls all worked in the same office with the same female boss. Each day, they noticed the boss left work early and didn't return. One day the girls decided that, when the boss left, they would leave right behind her. After all, she never called or came back

to work, so how would she know they went home early?

The brunette was thrilled to be home early. She did a little gardening, spent time with her son and went to bed early.

The redhead was elated to be able to get in a quick workout at the gym before going on a date.

The blonde was happy to get home early and surprise her husband, but when she got to her bedroom, she heard a muffled noise from inside.

Slowly and quietly, she cracked open the door and was mortified to see her husband in bed with her lady boss. Gently, she closed the door and crept out of her house.

Q: What did the duck say when it bought some lipstick?

A. Put it on my bill.

The next day, during their coffee break, the brunette and redhead planned to leave early again and they asked the blonde if she was going to go with them.

"No way," the blonde exclaimed. "I almost got caught yesterday!"

Photographer: BBM

A couple of issues or so back we marked MF favourite Danni Maye's decade in the business, but now we realise we've only gone and missed Natalia Forrest's 10th anniversary – by a full 2 years! Yep, I know it seems incredible – especially looking at her! – but Natalia's been driving guys wild for a dozen years now, so once we realised that we thought a cover and a centrespread was the very least she deserved! The Ed thought what she really deserved was a nice quiet dinner at his pad, but oddly enough Natalia didn't seem to fancy that. Maybe in another 12 years, eh...?

Scene from MAYFAIR

We don't always like to keep the classics for the last spread of the magazine, because we've got two absolute nailed-on classics in scene for you this issue.

BIRD MAN OF ALCATRAZ

Does any prison in the world possess a more iconic name than Alcatraz? Probably not, and that's almost certainly because they made not one but two top notch films about it – and no, I'm not including 1996's *The Rock* in that, although it's more than watchable. *Escape from Alcatraz* comes in at two, but this 1962 film has to be the film that put Alcatraz firmly on the map! Based on a true story, Burt Lancaster plays lifer Robert Stroud who, if a life sentence weren't enough, has to spend it in solitary confinement, so no wonder he clings onto the injured sparrow he finds in the prison yard! Nursing it back to health, he at long last finds a purpose to his life, and as the years pass he becomes quite the distinguished ornithologist. Lancaster was great at these slightly other-worldly parts, and with a support cast that includes Carl Malden and Telly Savalas, this is a big league movie that more than merits its spiffy new Blu-ray release.

A QUIET PLACE

Hmm, this one didn't seem to make much noise when it hit the big screens a few months ago (do you see what I did there?), although a little bit of research tells me that it performed well at the UK box office, so perhaps I just wasn't paying attention back in the spring. In any event, it's set in the very near future after the Earth's been attacked by some horrid alien types who, despite being blind, have managed to wipe out most of humanity thanks to a combination of incredibly sensitive hearing and some armour plating that's way too much for us to battle against. The only way to survive, then, is to stay absolutely silent, which is what the Abbott family (Emily Blunt, John Krasinski plus two kids) have to do, communicating by sign language as they scrape out their existence. Not so easy to keep quiet, mind, with a baby on the way...

THE DEER HUNTER

Well you'd have to be an idiot to let the 40th anniversary of a film like this pass you by without dusting it down and giving it a fresh new reissue, wouldn't you? Michael Cimino's epic take on the effects of the Vietnam War on a small working-class community from Pennsylvania boasts a stellar cast, with Robert De Niro, Meryl Streep, John Savage and John Cazale (who died before the film was completed) all on top of their games, but it's Christopher Walken who stays longest in the memory, not least thanks to his Russian Roulette (mis-)fortunes. As well as a dazzling new 4K restoration of the film itself, this 4-disc set is packed with bonuses, with interviews from the director and director of photography as well as extended and cut scenes, the complete soundtrack and a 64 page booklet. Immense stuff.

LUCY

Age: 21 Vital Stats: 34C-24-35 5'5"
Photographer: BBM

Hands up if you reckon we ought to feature another stunning newcomer. Ahem, both hands, if you don't mind! OK, well that's settled then – in which case allow us to present Lucy, a sizzling 21 year old babe from Northants who made rather an impression when she rolled up for this shoot last month. Piercing blue eyes, two sets of extremely kissable lips and a perky body all mark her out as just the sort of girl we love here at *Mayfair*, so we're sure you'll show her just the right amount of appreciation - especially as she's only just started dipping her shapely toe into the world of modelling.

MAYFAIR Movies

Blimey, you wanna try spending the afternoon watching three bongo flicks on the trot in this weather - talk about a risk of dehydration! Still, our man managed it, and here's the results...

Digital Playground

HAND SOLO

CAST: Valentina Nappi, Athena Palomino, Carly Rae Summers.

Rather like the non-porno-parody Han Solo flick that limped onto (and back off) the big screens earlier this year to little fanfare, this offering from Digital Playground seems a little bit half-baked. Apart from anything it's only got a cast of three splosers, which is a bit on the thin side even if one of them's the tremendous Valentina Nappi. Still, it's all Disney's fault - if they didn't churn out these *Star Wars* spin-offs quite so frequently the poor porno companies would have a bit more of a chance to craft a more thorough parody version.

Not in any way taking its cue from the original, this opens in some sort of transgalactic tittybar, where Valentina helps 'Hand' snaffle a spaceship with the roll of a dice, at the price of a bunk-up with Isaiah Maxwell. It's all a bit of a swindle, but he can't be too upset to be

diddled out of his spaceship by such underhand methods - especially when he's splashing off over Valentina's face! Once they've nabbed the ship they find Athena on board and, well, it's time for Hand to get some action, with some nice reverse cowgirl thrown in along the way. There are four scenes in total, but they're a bit on the underlit side... and I'm sorry to say there's no nookie for the Wookiee!

Private

TV REPORTER

CAST: Sienna Day, Loren Minardi, Blue Angel, Victoria Summers, Carmel Andersson.

Hmm, to be honest that's not the most arousing title for a bongo flick I've ever come across - are Private going to launch a series of titles that are just job descriptions, I wonder? Quantity Surveyor? Lab Technician? Anyway, I'm going to give this one the benefit of the doubt because it features some top British splosers, with Sienna Day as the eponymous reporter who, in the hunt for a promotion gets particularly chummy with her boss. A nice nosh leads to some cowgirl and then a reverse cowgirl anal pounding for the ambitious bint before she's sent on her way with a faceful of harry. Not content with his morning's work, boss Frankie then turns up across town, where he ends up double-tagging raven-haired Lauren. The wanton hussy gets all her holes plundered (often at the same time) before they're done with her in what has to be the film's strongest scene. Still, Blue, Victoria and Carmel keep their ends up well enough too, and in the ultimate happy finish, Sienna gets the job! **Available from your local sex shop.**

Wicked Pictures

CURSED

CAST: Britney Amber, Alexa Grace, Whitney Wright.

Editor's PICK

Many, many years ago there was a film called *Watermelon Man* in which a racist fellow wakes up one morning to find he's turned into a black man. Well, taking the same Metamorphosis theme here, we follow the fortunes of stud Ryan McClane, a serial shagger who beds and bins the ladies in his life, who suddenly finds he's woken up as a hot woman - Whitney Wright, in fact - complete with painted toenails! So how will he cope now that the shoe's on the other foot? A nice plot, which

kicks off with Ryan still in bad boy mode having a corking bunk-up with Britney Amber, whose furry slot gets a good workout before she gets an untimely brush-off that causes her to put

a curse on him. And Brit's back in next scene, getting another length and culminating in another load dropped on her muff. It seems Ryan/Whitney has to make amends, and s/he sets about it straight away by getting it in with Alexa in a nice lesbo scene that sees them scissoring to some kind of conclusion. Alexa's back for a restroom shafting next before the story wraps up with Ryan fucking, er, herself! Well, it's a bit confusing, but the action's grand, even if our hero doesn't end up learning any lessons from his experience.

.....

When the sun gets just too hot for shooting outside, there's a lot to be said for a nice shaded patio area, where you can really make yourself comfortable while one of the loveliest women on the planet strips off and poses. Alex seemed to prefer a bit of shade as well...

"I'm not a sun-worshipper, so I'd always prefer to keep in the shade when it's really warm. The worst thing is trying to sleep at night, though – tossing and turning in a sweaty bed all night long!"

Yes, it's terrible, although they say a problem shared is a problem halved, so perhaps I could be of help...?

M

QUEST...

Reckon it's high time we had some confessions from some of our horny lady readers? Well so do we - and here they are!

I share a flat with my best friend Jenny. We are really close and like most gal pals we share clothes, make-up and secrets, even telling one

boasting about how well-endowed he was and how marvellous he was between the sheets...

It had been a few weeks since I'd broken

one there seemed to catch my interest, especially after Jenny told me about Steve's prowess in the bedroom.

In my defence it was Jenny's own fault that anything happened, because she forgot they were meant to meet one Thursday and she stood him up. Steve tried her mobile and hung around for over an hour and when she didn't turn up he called in to the flat. I had nowhere to go and was spending the evening alone on the sofa watching TV. I was in my PJ's as I thought I had the place to myself, and when I opened the door to Steve I was glad that they were short and sexy - and that I had washed my hair earlier.

I couldn't help fluffing my blonde hair and fluttering my eyelashes, explaining that Jenny had gone to her cousin's hen night. Being a bit of an air-head she had obviously forgotten she was meant to

be meeting him. I apologised for her and before he could leave I pulled him into the living area and insisted on trying her mobile again. It chirped away on the dresser where she must have left it to charge.

He didn't look too upset so I offered him a beer and asked if he would like to hang out until she came home. He looked me over and I could feel myself blushing as I did the same. His smile made my tummy flip and I couldn't help wishing he was mine. He was certainly enjoying looking at me in my semi-transparent pyjamas, and was clearly sporting a bulge in the front of his jeans.

He noticed where my eyes went and then it was his turn to blush, but I smiled encouragingly at him and instead of looking away he openly started to ogle my figure. Without saying a word we moved together and kissed, his hands moving over the thin silky fabric of my night clothes as he cupped my breasts, lightly squeezing them. Our bodies toppled

together onto the couch and within moments we were kissing and touching in a tangle of garments as we tried to undress one another too quickly.

It made me giggle and Steve laughed too, Steve finally managing to strip down to his boxers and socks while I ended up stark naked on the sofa. I'm not in the least bit shy, and by the look of the huge hard-on in his shorts I was starting to realise that Jenny hadn't been exaggerating.

As his boxers slid around his ankles his

another about how our boyfriends rate in bed. This is how I became interested in her latest boyfriend Steve. Jenny had been

up with my ex and I was beginning to get headaches from lack of sex. I had been to the clubs and bars, but somehow no-

big cock sprang upright, fully erect with a bulging dark red head. I licked my lips before kneeling in front of him and taking his beautifully shaped prick in my mouth.

Rarely have my lips been pursed around such a fantastic pole, and without hesitating I began to suck on his beautiful knob.

**HIS FINGERS PINCHED MY NIPPLES,
ROLLING THE FLINT-HARD TEATS AS
ONE ORGASM YIELDED TO THE NEXT.**

Up and down my head bobbed, sucking hard. It was glorious, and I cupped his large hairy balls and gave way to my inner slut, slurping and choking on his member until he began to groan.

He pulled my hair back from my face so he could watch the proceedings and I kept sucking for all I was worth. Then, with a loud sigh, he gently eased out of my mouth and pushed me onto my back. Telling me to open my legs wide he went down on me, burying his face in my curly pubes as he ate me out.

His tonguing technique was excellent and I was soon shivering as the first of several long hard orgasms hit my quivering pussy. His fingers pinched my nipples, rolling the flint hard teats as one orgasm yielded to the next.

I was sobbing for breath as he came up for air, and then, flipping me over like a rag-doll, he moved in behind me. His fingers prised my arse cheeks apart as he tongued my crack, licking from my pussy right up to my bumhole. I was so hot for him that I screamed out to him to fuck me, and he took me at my word, his long meaty cock plunging inside my aching pussy.

In and out he slid his thick rod, fucking me hard with each vigorous stroke, and soon I was squealing with delight and begging him to fuck me harder still. His cock thrust in forcefully and fast, and he slammed his balls against my thighs as he plumbed deep inside me. I was quivering with delight and begging for more when he withdrew his cock making me beg him for more.

Steve laughed then he shushed me and began licking my ring. I cooed and wriggled, delighted at the thought of having some anal fun. Slowly and deliberately, he lubricated my rear entrance with moisture from my pussy before gently entering me from behind.

His long slow strokes created the most delightful friction and within moments both my pussy and my anus were convulsing in unison, sending waves of ferocious pleasure throughout my whole body. Steve gently touched my clit, circling it with his thumb as he fucked my arse enthusiastically, and as I felt him stiffen I began to come. Then he splashed his load in my bum, making both my love-holes spasm and contract with absolute pleasure.

We snuggled up together for a while and when I went to bed, Steve washed up and waited on the couch for Jenny to return. And from what I could hear, she got a pretty good servicing out of him as well! Needless to say, both Steve and I never said a word to Jenny about what happens. From what she's said about him I reckon she's not too serious about the relationship, so I'm hoping that if they split then I'll be able to move in and

have his big cock all to myself!

**“STEVE TOUCHED MY CLIT, CIRCLING
IT WITH HIS THUMB AS HE FUCKED MY
ARSE ENTHUSIASTICALLY.”**

Last year, I met a guy through a friend of a friend. We hit it off instantly and we'd see each other in the club every few weeks, flirting outrageously with each other. As I live in Cheshire, I tend to go out in the centre of Manchester and he lives there, so we'd keep an eye out for each other. It was third or fourth time we met up that the grinding up against me on the dancefloor and the shoulder massages he gave me when we were having a

breather, led to us copping off with each other. It was so fucking horny that I knew if I'd suggested it, he would have quite happily fucked my brains out there and then!

“AS I RUBBED MY SWOLLEN CLIT I FANTASIZED ABOUT HIS TONGUE FLICKING ACROSS MY LITTLE BUD INSTEAD.”

I'm not one of those girls to screw or go back to a guy's place straight away, so it was at least 6 months of him wooing me by phone, message and in person,

carry for me. I thanked him, touched at this gentlemanly gesture and suggested we go for a drink. He agreed and I followed him back to his car and got in while he put my bag in the boot. Ten minutes later, we were sat in a small pub making small talk over a couple of drinks. He told me he was quite happy to leave his car in the pub car park overnight so we could relax and have a few 'bebies' together.

And have a few bebies we did! We had a lovely evening chatting, realizing that we had quite a bit in common. I was only a little tipsy when the barman called

Calling it a night, he showed me to the guest room and I tried hard not to show my disappointment. I mean it was nice that he hadn't presumed I was going to sleep with

him, but a girl has needs! He gave a slow, lingering kiss on the lips goodnight and left me at the door to the spare room, wanting

before I agreed to go and see him for the weekend in Manchester. So it was I found myself sat on a train for an hour and a half from Cheshire to Manchester, toothbrush and clean undies in my bag (just in case, you understand!), unable to focus on the book I'd brought with me. Little shivers of anticipation would run through me every so often as I fantasized about how the next few hours would play out.

He met me at the barriers, huge grin plastered on his handsome face. We hugged and he took my overnight bag to

last orders and it was time to leave. We grabbed my bag from the car, he called a taxi and we went back to his house. I really had no idea what to expect, but I was slightly surprised to see the suburban semi that we pulled up in front of. Not that it was a bad thing, of course, it looked well kept and presented, which is always a good sign!

He opened a bottle of wine and we sat out on the patio to enjoy the balmy evening. As we chatted away the time flew and, before we knew it, it was 2:00am!

more. The man was a proper gentleman – and a big tease!

As I climbed into bed, I began to fantasise about the sexy man that was asleep in a room down the hallway. Pushing my nightie up, I ran my fingertips across my stomach and boobs, my breathing getting heavier as I worked

up to my nipples, squeezing them gently before rolling them between my thumb and fingertips. I slid my other hand between my legs, enjoying the dampness that was spreading as I dipped my fingers between my labia lips.

I knew it wouldn't take me long to come and, as I rubbed my swollen clit I fantasized about his tongue flicking across my little bud instead. That did it and within a couple of minutes I was climaxing, my orgasm shuddering through my body as I tried to stop myself whimpering too loudly. As my orgasm subsided, I closed my eyes and imagined him holding me, soothing me to sleep. And with that thought, I drifted off happily – and almost satisfied.

The next morning, I got up and ventured downstairs. I realized that he was still in bed, so I decided to take him a coffee in bed. Knocking on his door, I heard a sleep reply, so I went in. He rolled over and smiled, motioning for me to sit on the bed, as I handed his drink. He looked so cute, his hair all tousled. He moved closer to me and gave me a cuddle. As he did, I noticed a black silky object on the floor and instinctively picked it up and handed it to him.

"Ah," he said, grinning, "I see you've found my blindfold. Fancy trying it?"

I blushed, unsure of his forwardness, my heart racing. I nodded and, turning

around my wrists. My pussy throbbed with excitement and anticipation. I felt my arms being pulled up, then I found I could no longer move them at all – they had obviously been attached to the headboard. He yanked my trousers off forcefully and knelt at my feet, gently stroking the inside of my thigh.

My breathing was fast and rugged, my body was tingling as he whispered: "I'm going to make you come so hard that you'll think you can't take it. Have you discovered your limits yet?" I shook my head, unsure exactly what he meant. "Well, we'll find them now." I felt his hand move to my pussy, firmly cupping my mound through my knickers. "You're soaking already, you know."

I wasn't surprised – I was incredibly turned on! I felt him remove my pants, before scooping my boobs out of my bra and top, so they were pushed up high. He worked so quickly that it almost felt there was another person doing it when I felt my ankles being strapped up too. And then, to my complete and utter surprise, I was hoisted up so that my pussy was suspended above the bed by about two feet, my legs slightly apart. This was beyond my wildest dreams – I'd always fantasized about a man taking control, but this was next level! And I never thought it would be this seemingly gentle,

my back to him slightly, I closed my eyes.

"Do you trust me?" He asked. Again, I nodded.

"Well, if you want to stop at any time, the safe word is 'dictionary'. Okay?"

I started wondering what I was getting myself into if a safe word was needed. He laid me back on the bed and told me to get comfortable. I felt him get

unassuming man.

I sensed his weight kneeling on the mattress. Then, without warning, he thrust himself inside me, deep and hard. I cried out. I admit it kind of hurt, but god it felt good and I wanted more! And he gave me more, so much more. He banged away for

ages, taking me to the heights of pleasure. I came so much I could hardly breathe, the orgasms took hold one after another, almost relentlessly, until I could feel my juices running down my arse crack and dripping off. I was almost exhausted and I think he could tell. Suddenly, he pulled

up and heard rummaging before taking my hands and buckling something

out, grabbed my bum with both hands and yelled out as he shot his load all over my jolting body. I felt his hot jizz spray up my body, over my tits and neck and landing on my face. I licked the spunk from my lips; it tasted salty and sweet all at the same time. I wanted to suck him dry, but he said no and instead began playing with my bumhole. I wasn't sure I could take any more, but I allowed him to bump his cockhead against my puckered arse and slowly push his way in. I remember being surprised that he was already hard again so quickly.

It felt amazing as he slowly and gently eased himself inside my tightest hole until, soon, he began thrusting in and out, making me squeal. As he fucked me harder and harder, the most intense orgasm of my life welled up and I came so hard I screamed – this was beyond anything I had ever felt before and I realized that this was the edge he was talking about. As I came and came, my body shaking and trembling, he pulled the blindfold off so I could see how hard he was screwing me. It was amazing!

It didn't take him long to come and, once again, he pulled out and sprayed his cream all over me, the sticky white seed covering my torso.

We spent the rest of the weekend fucking and sucking each other, exploring new heights of sexual pleasure. He's opened a whole new world up to me and it's truly unbelievable. I've been up to stay with him a few times since and I hope that it'll carry on. I still have so much to learn!

AMANDA
FORBES

The Daily Mirror Dream Girl

MAYFAIR Classic

Never let it be said we ignore our readers – if we get a letter mentioning Amanda Forbes in 23.09, we rummage out that issue and give her an airing in the classic section! A full 30 years ago this beauty was making a name for herself on page 3 after winning The Daily Mirror's Dream Girl competition. Does The Mirror still do that sort of thing? And did any of you lot buy the vodka calendar she graced the following year? Either way, she's possibly Melton Mobray's finest export since the pork pie!

Twenty-one-year-old Amanda Jayne Forbes is one in 5000, and she has 4,999 disappointed rivals to prove it. They were the contestants who lost out to 34-24-35 inch Amanda in this summer's *Daily Mirror* Dream Girl '88 Competition. And to add our accolade to Amanda's fast burgeoning career as a professional model we present her nude debut exclusively in *Mayfair*. 'Deep down I think every girl would like to have a go at modelling,' she told the *Mirror* after her victory. 'And you dream of winning a competition like this. But you just can't believe it when it happens to you.' A look at the papers should quickly convince her otherwise. She's appeared in the *Sun*, the *Star* and the *News of the World*, and next year she'll be a star of the 1989 Vladivar Vodka calendar.

Hailing from Melton Mowbray in Leicestershire, Amanda counts her success as a double triumph — it's not just a vindication of her personal ambition, she's also the first black girl to gain first prize in a national modelling competition. 'One top model agent even refused to take me on because of my colour,' she said in the *Mirror*. 'She said I didn't have a chance.' Amanda is the daughter of West Indian cricketer Carlton Forbes and a Spanish mother — the source of her exotic, coffee-hued looks — though she was brought up by English foster parents.

After leaving school, she had a variety of occupations from hair-dressing and selling double-glazing to nursing. 'I started training,' she said in *Sunday Sport*, 'but I hated the sight of blood, always arrived late, and used to talk too much during classes, so they booted me out!' But the medical world's loss was show business's gain. Amanda turned to modelling and professional dancing — she also sings and writes pop songs. 'I must have a creative soul,' she told the *People* newspaper. 'Music is part of my life. And when I dance I just feel great with the world.' Meanwhile she keeps in trim by weight-training at her local gym. And her favourite man? 'My ideal does a really down to earth job like building or decorating. I wouldn't be remotely interested in city types.' Clean overalls anyone?

We live in an age where the consumer is truly spoilt for choice. Once upon a time, if you wanted to watch the telly you had a choice of three programmes that were on – assuming it was the evening but not too late. Nowadays you can spend hours flicking through channels and end up going to bed before you've got back to the beginning again! Goodness knows what it's doing to our concentration spans. Luckily, here at *Mayfair* we believe in taking a break from the frantic pace of modern life and appreciating what's around you. Well, wouldn't you, if it was Emma and Jada?!
